

AUTOMATIC LINE

Be prepared for emergency situations.

How it works:

Help is not far away even when you can't dial the phone. Your telephone can automatically dial an emergency number for you.

To "turn on" the service:

1. Call the telephone business office and have them set your number up for Automatic Line. Your line will then be programmed to automatically dial an emergency number chosen by you.

To use:

1. Lift the handset.

2. The pre-designated number will automatically be dialed immediately.

Note:

- You must select the telephone number to be dialed when you sign up for Automatic Line service. To change this number, contact the telephone business office.
- No calls may be placed from a telephone subscribed to Automatic Line. Calls may be received on a telephone subscribed to Automatic Line.
